BATH SHEET

100 × 150 cm

PQ-WAF-004 · Size option on quotation. Final fabric, GSM, yarn and production feasibility are confirmed in the offer.

Yarn brief example: “Long-staple Turkish Cotton”. Fibre origin and staple length need supplier confirmation. This is a requested specification, not a verified claim about the collection.

Quality, documented.

Tell us which standards your procurement process requires. Certificate number, issuing body, validity and product scope must be matched to the exact goods before a certification claim is made.

OEKO-TEX® STANDARD 100

Reference standard for textiles tested for harmful substances. Product certificate and label number: not yet supplied.

Global Organic Textile Standard (GOTS)

For certified organic textile processing requirements. Product and supplier certification: not yet supplied.

These are standards a buyer may request, not certificates currently held by Peshqir. No certification seal is used in this catalogue.

Let’s build your brief.

Share product codes, quantities, size and colour preferences, intended use, target GSM, yarn requirements, personalisation and your UK delivery location. Commercial terms and lead times are agreed per quotation.
